(3) The C.P. Station authorities have also reduced the limit of opium possession from 3 tolas to one tola, and they are further inclined to adopt the Madras rule regarding smoking preparations of opium, if the Mysore Govt are willing to introduce that rule in the State.

(4) The Excise Com^r says that, if Govt approve of the suggestion, he will submit a draft notification amending the rules. He proposes to give effect to the change from 1st July 1913, on the ground that the Excise sales in many taluks are over. It is not clear what difficulty is there in giving effect to it at once, as the opium licensees are not allowed to sell smoking preparations of the drug and as such are not likely to be affected by the change.

In continuation of my letter No. 1075, dated 7th March 1912, I have the honor to state that the Honourable the Resident is - - favourably inclined towards the proposal to reduce the limit of private possession of opium in the Civil and Military Station, Bangalore, from 3 tolas to 1 tola.

2. May I know in this connection whether you are inclined to reduce the limit of smoking preparations of opium from 1 tola to ½ a tola on the lines of the Madras rules. If so, a similar provision would be introduced in the rules applicable to the Station.

Letter No. 8682, dated 1st May 1912, from the Offg: Inspector General of Police, in charge of the office of the Excise Commissioner in Mysore, to the Collector Civil and Military Station, Bangalore.

With reference to your letter No. 1765, dated the 25th Ultimo, anent the reduction in the limit of private possession of Opium, I have the honor to state that Government having in their Notification No. Fl.3923/S·R.196-10-5, dated the 16th March 1912, ordered the reduction of possession from three to one tola, the same was accord--ingly published in the Excise sales Notification for the official year 1912-13, on the strength of which sales in many Taluks have already been effected. So it is matter for deep regret that the suggested changes for the possession of opium for smoking prepara--tions cannot now be brought into effect before 1st July 1913.

I am now addressing the Government about reducing the limit of the smoking prepartions from 1st July 1913 and will write to you again in due course.
